- ____ NU7063 (1) Adv Health Assessment Lab for the NP
- ____ NU7080 (3) Advanced Pharmacology
- ____ NU7100 (4) Primary Care I
- ____ NU7110 (3) Primary Care I Practicum
- ____ NU7141 (2) Primary Care II Peds
- ____ NU7142 (2) Primary Care II Women's Health
- ____ NU7151 (3) Primary Care II Practicum for the FNP
- ____ NU7451 (5) Independent Primary Care Practicum FNP

○ **FNP CERTIFICATE – 22**

- ____ NU7020 (3) Family and Community Concepts
- ____ NU7100 (4) Primary Care I
- ____ NU7110 (3) Primary Care I Practicum
- ____ NU7141 (2) Primary Care II Peds
- ____ NU7142 (2) Primary Care II Practicum Women's Health
- ____ NU7151 (3) Primary Care II Practicum for the FNP
- ____ NU7451 (5) Independent Primary Care Practicum FNP

○ **NURSE EDUCATOR TRACK**

(Core + NE Track = 36/37)

- ____ NU7040 (3) Advanced Pathophysiology
- ____ NU7060 (3) Advanced Health Assessment
- ____ NU7062 (1) Adv Health Assessment Lab for the NE
- ____ NU7080 (3) Advanced Pharmacology
- ____ NU7300 (3) Instructional Strategies
- ____ NU7310 (3) Evaluation Strategies
- ____ NU7320 (3) Program Development
- ____ NU7330 (2) Nursing Focus Practicum
- ____ NU7340 (2) Educational Practicum

○ **NE CERTIFICATE – 11**

- ____ NU7300 (3) Instructional Strategies
- ____ NU7310 (3) Evaluation Strategies
- ____ NU7320 (3) Program Development
- ____ NU7340 (2) Education Focus Practicum

○ **RN-MSN – Main Courses**

- ____ NU4102 (3) Leadership and Professional Issues
- ____ NU4212 (3) Community Health Nursing
- ____ NU4232 (2) Community Health Nursing Practice
- ____ NU4412 (2) Capstone: Leadership in Prof Nsg Practice
- ____ NU5020 (4) Transitions in Nursing

****(Needed for AGNP, CNL, FNP, or NE Specialty Track)**

- ____ ****NU7040 (3) Advanced Pathophysiology**
- ____ ****NU7060 (3) Advanced Health Assessment**
- ____ ****NU7061 (1) Adv Health Assessment Lab for the CNL**
- ____ ****NU7062 (1) Adv Health Assessment Lab for the NE**
- ____ ****NU7063 (1) Adv Health Assessment Lab for the NP**
- ____ ****NU7080 (3) Advanced Pharmacology**

(choose 1 group of "Specialty" courses from below)

Specialty Courses AGNP – 60**

- ____ NU7030 (3) Gerontology for the AGNP
- ____ NU7100 (4) Primary Care I
- ____ NU7110 (3) Primary Care I Practicum
- ____ NU7142 (2) Primary Care II Women's Health
- ____ NU7143 (2) Primary Care II Principles of Geriatric Care
- ____ NU7152 (3) Primary Care II Practicum for the AGNP
- ____ NU7452 (5) Independent Primary Care Practicum AGNP

Specialty Courses CNL – 54**

- ____ NU7520 (4) Environment of Care Management
- ____ NU7530 (3) Clinical Outcomes Management
- ____ NU7540 (6) Clinical Residency
- ____ NU7600 (3) Leadership and Organizational Behavior

Specialty Courses EPHL – 50 (not needed)**

- ____ NU7600 (3) Leadership and Organizational Behavior
- ____ NU7610 (3) Human Resource Management
- ____ NU7620 (3) Health Systems
- ____ NU7630 (3) Health Policy and Politics
- ____ NU7200 (2) Executive Practice Seminar I
- ____ NU7210 (3) Executive Practicum I
- ____ NU7220 (2) Executive Practice Seminar II
- ____ NU7230 (3) Executive Practicum II

Specialty Courses FNP – 60**

- ____ NU7100 (4) Primary Care I
- ____ NU7110 (3) Primary Care I Practicum
- ____ NU7141 (2) Primary Care II Peds
- ____ NU7142 (2) Primary Care II Practicum Women's Health
- ____ NU7151 (3) Primary Care II Practicum for the FNP
- ____ NU7451 (5) Independent Primary Care Practicum FNP

Specialty Courses NE – 53**

- ____ NU7300 (3) Instructional Strategies
- ____ NU7310 (3) Evaluation Strategies
- ____ NU7320 (3) Program Development
- ____ NU7330 (2) Nursing Focus Practicum
- ____ NU7340 (2) Educational Practicum

○ **CLINICAL Nurse Leadership – (+core 40/41)**

- ____ NU7040 (3) Advanced Pathophysiology
- ____ NU7060 (3) Advanced Health Assessment
- ____ NU7061 (1) Adv Hlth Assessment Lab for the CNL
- ____ NU7080 (3) Advanced Pharmacology
- ____ NU7520 (4) Environment of Care Management
- ____ NU7530 (4) Clinical Outcomes Management
- ____ NU7540 (6) CNL Clinical Residency
- ____ NU7600 (3) Leadership and Organizational Behavior

○ **CNL CERTIFICATE – 15**

- ____ NU7061 (1) Adv Hlth Assessment Lab for the CNL
- ____ NU7520 (4) Environment of Care Management
- ____ NU7530 (4) Clinical Outcomes Management
- ____ NU7540 (6) CNL Clinical Residency

**INSTRUCTIONS FOR COMPLETING THE GRADUATE
DEGREE CANDIDACY APPLICATION**

1. **Print** your name as it is to appear on the diploma.
2. Write the address where graduation mailings should be sent.
3. Mark the correct track. Circle the month when you expect to complete academic requirements.
4. For all tracks: Registrar will fill in grades and only courses with grades of “B” or greater are counted toward the degree.
5. Registrar will fill in an * for courses to be completed during the current Semester, an ** for courses to be completed during the next Semester, and an *** for courses to be completed during the last Semester, if needed.
6. **Your signature is required.**
7. Registrar will get signatures for the following departments: Advisor, Graduate Program Director, Dean, Financial Aid, and Student Affairs. Each signatures shows the department has verified your Degree Candidacy Application for completion.
8. There is a \$100 late fee for any application submitted after the deadline. Make sure to check your Research College of Nursing emails for information about Hooding.

Please answer the following:

Have you transferred coursework from another institution for your degree? _____

What course(s)? _____

Which institution(s)? _____

Do you plan to take a certification exam after graduation? _____

If so, what examination? _____

NOTE FOR DEGREES: There is a \$100 graduation fee for the rental of the cap/gown and for the graduation ceremonies which will be charged to your account the semester of your graduation. Ali Weinel will send out more information about Hooding in Fall semester.

Candidacy approved by:
