

Payment Policy

Full tuition and fees, including housing, are due at the time of registration. Alternative payment plans are available and may be exercised by eligible students. In order to qualify for any plan the student must have no history of account delinquency. Please contact the financial aid office for any exceptions.

No one who has an unpaid balance from a prior semester will be registered for a subsequent session. Transcripts of records and Certification of Education will not be issued for anyone delinquent in financial obligation to Research College of Nursing or Rockhurst University.

Delinquent Accounts

Overdue accounts will be sent to a collection agency. Collection costs and fees for unpaid balances forwarded to outside agencies for collection will be borne by the student. Transcripts of academic records will not be issued by the Registrar's Office at Research College of Nursing or Rockhurst University for any student or former student whose student account is delinquent or for any student or former student whose Federal Nursing Loan or HCA repayments are delinquent. Delinquent balances must be paid in full or repayment plans brought current prior to the issuance of academic transcripts.

Refunds

Traditional Undergraduate, Accelerated Option and Graduate Student Refund Schedule

Students withdrawing or dismissed after the first week are eligible for refunds in accordance with the schedule as indicated on the Rockhurst University website, www.rockhurst.edu (Academics, Registrar, Drop/Add/Refund).

Students receiving federal financial aid will also have a refund calculated based on Department of Education requirements.

Students receiving financial aid which exceeds the cost of tuition, fees, room and board will be required to repay the appropriate fund as stipulated in federal regulations.

No refunds, either for withdrawal from single classes or for entire withdrawal from the College, are made unless the student has withdrawn properly in writing through the appropriate office. Notification of the individual teacher does not constitute an official withdrawal. Until the Financial Aid Office is informed by an official withdrawal notice the student is billed as though he/she were still attending classes.

Students may appeal the calculated refund if exceptional circumstances exist. The appeal will be reviewed by the Loan and Scholarship Committee and a decision will be sent to the student within two weeks.

Return of Federal Funds

The return of federal funds formula provides for return of Title IV aid if the student received federal financial assistance and withdrew on or before completing 60% of the semester/term. Funds are returned as follows:

1. Unsubsidized Federal Stafford Loan
2. Subsidized Federal Stafford Loan
3. Federal PLUS Loan
4. Federal Pell Grant
5. Federal Supplemental Educational Opportunity Grant (FSEOG)
6. Other Title IV funds
7. Other federal, state, private, or institutional sources of aid
8. Student

If funds released to a student because of a credit balance on the student's account, **then the student may be required to repay some of the federal grants or loans released to the student.**

Students receiving federal financial aid who withdraw from anything less than 100 percent of their courses will have tuition refunded using the schedule below. All other students not receiving federal financial aid who withdraw from one or all of their courses (both officially and administratively), will also have tuition refunded according to the schedule below.

Students will receive the following refund if proper written withdrawal is made before the following weeks:

End of 1st week	100%	2nd week	75%
3rd week	50%	4th week	25%
5th week and thereafter balance due is payable in full 0% refund			

The College's refund policies are subject to change to comply with applicable laws.
