Unclassified, Audit or Visiting Student Instructions for Application

Rockhurst University

UNCLASSIFIED STUDENTS: Individuals are welcome to enroll for a limited number of classes as “unclassified”, non-degree seeking students if they have completed a high school degree of equivalency program and were in good standing at the last school or college they attended. Students interested in this option should complete the “Credit Registration Form for Unclassified Students”. In order to change from this status to that of degree-seeking, students must make formal application for a degree status and submit transcripts from high school and each college previously attended. These should reflect better than average academic achievement. (Exchange students must provide documentation from their KCASE school.)

AUDITORS: Students classified as auditors are those who are taking courses for interest or the development of their own skills and not with the intention of seeking credit or a degree. Audit students are not required to do course work or to take examinations, but are expected to attend class regularly. It is not possible to change from an audit status to a credit status after registration. Course fees for credit and audit are the same. Students wishing to audit classes should apply as unclassified students.

VISITING STUDENTS: Student visiting Rockhurst from other institutions must certify that they are in good academic standing at their home institution and that they are eligible to register for the desired course(s).

FINANCIAL AID: Students visiting Rockhurst as unclassified, auditors or visiting students are generally not eligible for financial assistance.
